Graduation.

In M.A. and Ph.D. programs the advisor may not be the eventual thesis or dissertation advisor. In all programs the major professor is determined with the student’s particular interests in mind. The director of graduate studies is also an advisor for all graduate students in Mead Witter School of Music programs. Students are expected to consult with the director of graduate studies at least once per semester to determine appropriate course plans. Consultation is mandatory in the semester before intended graduation.

Ph.D. students have two committees: a four-member preliminary examination committee composed of the major professor, minor professor, and two others determined by the area; and a dissertation committee with four faculty including the major professor and a faculty member from a program other than the major. Three of these four members must be graduate faculty.

CREDITS PER TERM ALLOWED
15 credits

TIME CONSTRAINTS
Graduate students in DMA or Ph.D. programs are allowed a maximum of four calendar years from the date entering the program to complete all course work requirements and successfully pass the preliminary examinations. The candidate must complete the dissertation (Ph.D.) or doctoral performance and research (DMA) within five years after passing the preliminary examinations.
