Accelerated: Accelerated programs are offered at a fast pace that condenses the time to completion. Students are able to complete a program with minimal disruptions to careers and other commitments.

Evening/Weekend: Courses meet on the UW–Madison campus only in evenings and/or on weekends to accommodate typical business schedules. Students have the advantages of face-to-face courses with the flexibility to keep work and other life commitments.

Face-to-Face: Courses typically meet during weekdays on the UW-Madison Campus.

Hybrid: These programs combine face-to-face and online learning formats. Contact the program for more specific information.

Online: These programs are offered 100% online. Some programs may require an on-campus orientation or residency experience, but the courses will be facilitated in an online format.

CURRICULAR REQUIREMENTS

Requirements Detail

Minimum Credit Requirement 51 credits

Minimum Residence Credit Requirement 32 credits

Minimum Graduate Coursework Requirement 26 credits must be graduate-level coursework. Details can be found in the Graduate School's Minimum Graduate Coursework (50%) policy (https://policy.wisc.edu/library/UW-1244/).

Overall Graduate GPA Requirement 3.25 GPA required.

Other Grade Requirements

Grades below B cannot count toward program credit.

Mead Witter School of Music financial awards are suspended if a student is on probation for more than one semester.

A student’s satisfactory progress is also in jeopardy should a major recital be judged incomplete or deficient. Failure of one or more parts of the comprehensive examinations is also considered a lapse in satisfactory progress.

Assessments and Examinations

In addition to evaluations in individual classes, School of Music programs examine graduate students at defined points in their career.

For doctoral students, preliminary examinations are tools to evaluate the student's currency and knowledge of the major field and the minor area of study, but also to determine the readiness to embark on the final stage of research. The first part of the Comprehensive Examination is written, and the second part is an oral exam attended by the student's committee members.

Once doctoral candidates have completed all their work, the oral defense is an opportunity for the dissertation committee to address the contributions made through the dissertation. No grades are reported on the transcript for these program-level examinations.

Language Requirements

The PhD requires proficiency at the intermediate level in two foreign languages. Foreign language proficiency assures that the student has the tools needed to pursue comprehensive research in the major field. Details can be found below.

Breadth Requirement

All doctoral students are required to complete a minor or Graduate/Professional certificate. Minors with coursework entirely within the School of Music total 12 credits and are taken as Option B—distributed minors. These distributed minors are narrowly defined to ensure the principle of breadth in relation to the major specialty.
