GRADUATE SCHOOL POLICIES

The Graduate School's Academic Policies and Procedures (https://grad.wisc.edu/acadpolicy/) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

NAMED OPTION-SPECIFIC POLICIES

PRIOR COURSEWORK

Graduate Work from Other Institutions
Graduate credits in equivalent foundation/generalist courses completed with a grade of B or better taken at CSWE-accredited MSW programs may be used to fulfill the Minimum Degree Credit Requirement. In general, coursework earned five or more years prior to admission to the MSW Program may not be used to satisfy degree credit minimums. Graduate credits from other MSW programs/institutions may not be used to fulfill the Minimum Residence Credit Requirement.

UW–Madison Undergraduate
MSW students who have received BSWs from CSWE accredited programs may count 7 credits of their undergraduate coursework in the BSW program. UW–Madison BSWs may count only those courses numbered 300 or above toward their minimum graduate degree credit requirement. Coursework earned five or more years prior to admission to the MSW program may not be used to satisfy credit requirements.

UW–Madison University Special
On a case-by-case basis Generalist Social Work courses numbered 300 or above taken as a UW–Madison Special student may be used to fulfill degree requirements. No more than 15 generalist credits may be used for this purpose.

PROBATION

In any given semester in which the GPA falls below 3.0 the Graduate School will place you on probation. The Graduate School regularly reviews the record of any student who earned grades of BC, C, D, F, or Incomplete in a graduate course (300 or above), or grade of U in research credits. This review could result in academic probation with a hold on future enrollment or in being suspended from the Graduate School.

MSW Satisfactory Progress Criteria
Graduate students are required to maintain and graduate with a cumulative GPA of 3.00. Grades of “C” are accepted only if offset by an equal number of credits of grades of A. Students who receive more than two grades of C or a grade of D or F will be dropped from the MSW Program. (This policy does not apply to grades received for courses taken to meet the Statistic prerequisite while in the program but will affect the GPA).

Students who receive a grade of C in the Field and Integrative Seminar courses may continue only with permission of the faculty and may not offset the grade with a grade of A. Refer to the Field Education Handbook (found on the Social Work Student Resources site (https://socwork.wisc.edu/students/resources/#full-time-msw-students)) for more details about grades in Field.

ADVISOR / COMMITTEE

All master’s candidates are assigned to the social work academic advisors.

CREDITS PER TERM ALLOWED

15 credits

TIME LIMITS

Full-Time Program students matriculating through the Full-Time MSW program on a part-time basis must enroll in a minimum of two courses each semester and complete one full-time semester of at least 8 credits. Candidates who withdraw from the Full-Time Program without having completed at least 8 credits must reapply for admission to the program. Students who withdraw from the Part-Time MSW Program without having completed at least 6 credits must reapply for admission to the Part-Time Program.

Master’s degree students who have been absent for five or more consecutive years lose all credits that they have earned before their absence. Individual programs may count the coursework students completed prior to their absence for meeting program requirements; that coursework may not count toward Graduate School credit requirements.
