

SOCIAL WORK: PART TIME, MSW

This is a named option in the Social Work (<http://guide.wisc.edu/graduate/social-work/social-work-msw/#text>) MSW degree plan.

The Part-Time MSW program is designed to allow students who are not able to pursue full-time study to work toward a MSW degree on a structured, time-extended basis with classes delivered in a hybrid manner (using in-person session and online technology).

- In-person sessions offered every other Saturday. Students should plan to be on campus each semester.
- Fieldwork options may be offered in your home community.
- Focus areas in child, youth and family welfare or mental health are offered.

Applicants must meet the School of Social Work admission requirements to be accepted into the program.

Applicants with a CSWE-accredited Bachelor of Social Work degree from within the last five years should instead look at Part Time Social Work Advanced Standing.
