Face-to-Face: Courses typically meet during weekdays on the UW-Madison Campus.

Hybrid: These programs combine face-to-face and online learning formats. Contact the program for more specific information.

Online: These programs are offered 100% online. Some programs may require an on-campus orientation or residency experience, but the courses will be facilitated in an online format.

Assessments and Examinations

Master’s students write a thesis under the supervision of their major professor. After completing the thesis, students take a comprehensive oral exam covering general sociology, graduate work to date, and the thesis. Occasionally students decide not to pursue the Ph.D. and opt to complete the requirements for a non-thesis Master’s degree. In these rare cases, students complete course requirements and take the comprehensive oral exam.

Language Requirements

No language requirements.
