Yes	No	No	No	No

#### Mode of Instruction Definitions

**Accelerated:** Accelerated programs are offered at a fast pace that condenses the time to completion. Students typically take enough credits aimed at completing the program in a year or two.

**Evening/Weekend:** Courses meet on the UW–Madison campus only in evenings and/or on weekends to accommodate typical business schedules. Students have the advantages of face-to-face courses with the flexibility to keep work and other life commitments.

**Face-to-Face:** Courses typically meet during weekdays on the UW–Madison Campus.

**Hybrid:** These programs combine face-to-face and online learning formats. Contact the program for more specific information.

**Online:** These programs are offered 100% online. Some programs may require an on-campus orientation or residency experience, but the courses will be facilitated in an online format.

### CURRICULAR REQUIREMENTS

#### Requirement Detail

Minimum Credit Requirement	51 credits
Minimum Residence Credit Requirement	32 credits
Minimum Graduate Coursework Requirement	26 credits must be graduate-level coursework. Details can be found in the Graduate School's Minimum Graduate Coursework (50%) policy ( <a href="https://policy.wisc.edu/library/UW-1244">https://policy.wisc.edu/library/UW-1244</a> ).
Overall Graduate GPA Requirement	3.25 GPA required.

**Other Grade Requirements** Students must earn a BC or above in all required courses. Grades of Incomplete are considered to be unsatisfactory if they are not removed during the next enrolled semester.

**Assessments and Examinations** Ph.D. students must pass two written preliminary exams in two different sociology subfields as well as an oral prelim. They then write a dissertation under the supervision of their major professor. After completing the dissertation, students take a final oral exam covering the dissertation and the general field of the major and minor studies.

**Language Requirements** No language requirements.

**Graduate School Breadth Requirement** All doctoral students are required to complete a minor or graduate/professional certificate.

- Option A, external: a minimum of nine graduate credits in one department or program (either single disciplinary or multi-disciplinary) outside of both Sociology and C&E Sociology.

- Option B, distributed: a minimum of nine graduate credits in two or more departments outside of both Sociology and C&E Sociology. The courses must be thematically unified and thus form a coherent topic. The nine credits for the Option B Minor may include one (but no more than one) course cross-listed with Sociology or C&E Sociology, but no courses may be taught by either Sociology or C&E Sociology professors.

- Option C, certificate: completion of a Graduate/Professional certificate in a program outside of Sociology and C&E Sociology. Certificate programs coordinate teaching and research among scholars active in interrelated disciplines, and they typically require 9–12 credits.
