

ENVIRONMENTAL REMEDiation AND MANAGEMENT, MS

ADMISSIONS

ADMISSIONS

Please consult the table below for key information about this degree program's admissions requirements. The program may have more detailed admissions requirements, which can be found below the table or on the program's website.

Graduate admissions is a two-step process between academic programs and the Graduate School. **Applicants must meet the minimum requirements (<https://grad.wisc.edu/apply/requirements/>) of the Graduate School as well as the program(s).** Once you have researched the graduate program(s) you are interested in, apply online (<https://grad.wisc.edu/apply/>).

Requirements	Detail
Fall Deadline	May 30
Spring Deadline	This program does not admit in the spring.
Summer Deadline	This program does not admit in the summer.
GRE (Graduate Record Examinations)	May be required in certain cases; consult program.*
English Proficiency Test	Refer to the Graduate School: Minimum Requirements for Admission policy: https://policy.wisc.edu/library/UW-1241 (https://policy.wisc.edu/library/UW-1241/).
Other Test(s) (e.g., GMAT, MCAT)	n/a
Letters of Recommendation Required	2

* The GRE is not needed for applicants with a 3.00 or higher GPA; applicants with a GPA below 3.00 may be considered under special circumstances and must also submit Graduate Record Examination (GRE) scores.

Although applications for the MS in Environmental Remediation and Management will be accepted on a rolling basis, applications received by the fall deadline each year will be given preference for admissions purposes and tuition assistance. Applications are submitted online (<https://grad.wisc.edu/apply/>) through the UW-Madison Graduate School. Prospective students who apply by the fall deadline will be informed of their admissions status by late June.

A foundation in the basic sciences is necessary and the program requires all students to have successfully completed the pre-requisite or equivalent coursework listed below. Admissions with deficiencies is possible, but is likely to delay completion of the degree as students will be expected to complete those courses in addition to the degree requirements.

Code	Title	Credits
MATH 221	Calculus and Analytic Geometry I	5
CHEM 103	General Chemistry I	4
CHEM 104	General Chemistry II	5

Candidates with diverse professional and academic backgrounds are encouraged to apply. Admissions decisions will be based on the entirety of each applicant's credentials. Complete applications will include all items below.

1. Reasons for graduate study/statement of interest in this program or field
2. Two letters of professional recommendation; one letter from a faculty member and one letter from a university advisor from the undergraduate institution are preferred. For applicants with relevant work experience, a letter from current or former employer is recommended.
3. One copy of undergraduate transcripts submitted electronically in the application.
4. Professional credentials/resume
5. GRE scores (dependent on undergraduate GPA)
