COLLABORATIVE RESEARCH EXPERIENCE:

This unique aspect of the BDO program provides the student with experience in interdisciplinary collaborative research under the guidance of a faculty mentor.
supervision of a faculty trainer. Students can accomplish this requirement by rotating through directed study/research credits with various faculty trainers.

- Lab rotations should be completed during the first three years of the program
- Lab rotations need to be established at the beginning of the semester, plan accordingly!
- Students must give a presentation of their research at the end of the same semester
