

LAW, J.D.

LEARNING OUTCOMES

1. Demonstrate competency in their knowledge and understanding of substantive and procedural law.
2. Demonstrate competency in legal analysis and reasoning, legal research, problem-solving, and written and oral communication appropriate for a variety of legal contexts.
3. Demonstrate competency in their awareness of ethical dilemmas likely to arise in legal practice and in their capability to identify and use legal and other resources that will lead to effective resolution of these dilemmas.
4. Demonstrate competency in other professional skills needed as a member of the legal profession.
5. Understand the concept of the law-in-action, including the procedures and social forces that influence legal outcomes and that affect the ability of legal professionals to represent clients and to create effective law.
