

PHYSICIAN ASSISTANT, MPA

The Physician Assistant Program at the University of Wisconsin School of Medicine and Public Health is guided by our mission to educate professionals committed to the delivery of comprehensive health care in a culturally and ethnically sensitive manner. We place an emphasis on primary health care for populations and regions in need.

We place an emphasis on primary health care for populations and regions in need. Explore the five distinct PA program tracks, the application process, and why a degree from UW-Madison will prepare you for excellence in education, patient care and service.
