

SCHOOL OF MEDICINE AND PUBLIC HEALTH GUIDE

DEGREES/MAJORS

The University of Wisconsin School of Medicine and Public Health

in Madison is committed to improving the health of Wisconsin and beyond through service, scholarship, science and social responsibility. We are developing new approaches for preventing, diagnosing and treating illness by uniting the principles and power of traditional medicine and public health. Learn more about our mission and vision (<https://www.med.wisc.edu/about-us/mission-values-and-diversity-commitment/>).
