# COMMUNICATION SCIENCES AND DISORDERS, CAPSTONE CERTIFICATE

## HOW TO GET IN

## HOW TO GET IN

### ADMISSION

Applicants must possess a baccalaureate degree with a minimum GPA of 3.0 on a 4.0 scale. Applications are accepted for the fall semester, with a priority deadline of May 1. University Special Student Services (USSS) is the admitting office for all University Special students. However, the department offering the Capstone Certificate program makes the final admission decision upon review of all applicant materials.

### APPLICATION STEPS

A complete application includes the following:

1. An online application for admission (https://specialstudents.wisc.edu/apply/) as a University Special student, selecting UNCS Capstone Certificate and the program: Communication Sciences and Disorders. This application is received and processed by USSS with final decision held for approval from the specific capstone certificate coordinator.
2. Send to the Department of Communication Sciences and Disorders Graduate Studies Coordinator via graduate@csd.wisc.edu or the address below:

    - an official college transcript confirming completion of an undergraduate degree with a minimum GPA of 3.0 on a 4.0 scale, or proof that an undergraduate degree will be completed prior to beginning the capstone certificate program
    - an English proficiency test score if your native language is not English or if your undergraduate instruction was not in English

Post-Bac Capstone Certificate Program
Department of Communication Sciences and Disorders
University of Wisconsin-Madison
1975 Willow Drive, Room 318
Madison, WI 53706-1103

**Notification of acceptance to the program will be sent within four weeks of receiving an application.**

### ENROLLMENT

Admitted students receive a formal letter of admission to UW–Madison from University Special Student Services along with general enrollment information. Additional detail is provided on the USSS enrollment page (https://specialstudents.wisc.edu/enrollment/).

The Department of Communication Sciences and Disorders will send specific information pertaining to enrollment in courses for fall and completion of the capstone program.
