COMMUNICATION SCIENCES AND DISORDERS, CAPSTONE CERTIFICATE

The Communication Sciences and Disorders capstone certificate is offered to applicants who have completed an undergraduate degree in a field other than communication sciences and disorders, and who wish to prepare themselves for admission to a graduate training program in communication sciences and disorders. The certificate is designed primarily for students who wish to pursue a clinical graduate degree (MS in speech–language pathology or AuD in audiology), but is also appropriate for students from other fields who wish to pursue a research graduate degree in communication sciences and disorders.
