

ENGINE DESIGN, CAPSTONE CERTIFICATE

Admissions to the Engine Design Capstone Certificate have been suspended as of spring 2024 and will be discontinued as of fall 2024. If you have any questions, please contact the department.

The Engine Design Capstone is a fully online certificate program that follows a three-course sequence to help you develop your engine design skills. Some of our past students have received a patent for their design project work! Fuel your passion for engines and advance your career! Get the key skills you need to become an engine design engineer.
