

PSYCHOACTIVE PHARMACEUTICAL INVESTIGATION, CAPSTONE CERTIFICATE

With the rapid growth in start-ups and companies focused on psychoactive pharmaceuticals like psychedelics and cannabis, employers are seeking professionals who already have the practical and professional skills needed to succeed in the pharmaceutical industry.

The Capstone Certificate in Psychoactive Pharmaceutical Investigation will give you a competitive edge in your career progression or transition. This certificate program focuses on developing the specific skills and knowledge that are essential for you to hit the ground running and succeed in this exciting area.

The fully online curriculum allows you the flexibility to complete your coursework from anywhere in the world without disrupting your career. The graduate-level certificate is designed as a rapid, nondegree alternative to our Master of Science in Pharmaceutical Sciences: Psychoactive Pharmaceutical Investigation. Successful completion of the courses within the capstone certificate can be applied to the master's degree program, should you choose to pursue a MS in the future.
