

GUEST AUDITOR

A Guest Auditor is any student who is not currently enrolled in a degree program or does not plan to pursue a degree.

Wisconsin residents aged 60 and over are eligible to audit in our Senior Guest Auditor program (<https://acsss.wisc.edu/senior-guest-auditors/>).

COURSE SELECTION

Auditing is defined as sitting in on a lecture course and not actively participating. Auditors may not recite, perform, or take examinations, although regular attendance is expected. Courses that by their nature require active participation or performance are **not** available on a Guest Auditor basis.

Classes typically not available to audit are conversational languages including American Sign Language (ASL); studio and performing arts including music; writing; math and computer lab courses; independent study and directed study; and seminar, research, and colloquium courses.

Instructor permission is required.

GRADING FOR AUDITORS

Audited courses are listed on a student's official UW-Madison transcript with "AU" in place of the number of credits and either "S" (satisfactory) or "NR" (no report) listed for the grade. Once enrolled, guest auditors discuss with the instructor the standard for earning an "S" in the course.
