### HOW TO GET IN

Apply by using the University Special student Application (<https://acsss.wisc.edu/apply/>) at least one month before the start of the term as it can take one to two weeks to review and process an application. An official transcript is typically not needed.

University Special students admitted in the UNRS classification are eligible to enroll in any course for which they are qualified or receive instructor permission, if there is space available. This includes both undergraduate and graduate level courses.
