

# NORDSUMMER SCANDINAVIAN SUMMER LANGUAGE INSTITUTE

NORDsummer (<https://nord.wisc.edu/>) is a special eight-week intensive language program for people interested in learning Scandinavian languages. NORD allows students from all around the world to jump-start their Scandinavian language studies and have access to languages that are not commonly available elsewhere. NORDsummer is one of seven **Wisconsin Intensive Summer Language Institutes (WISLI)** and is sponsored by the **Language Program Office (LPO)** (<http://lpo.wisc.edu/>); **European Studies at UW-Madison**, a **Title VI National Resource Center**; and **German, Nordic, and Slavic+ (GNS+)** at UW-Madison. Collaborating with **WISLI**, the **LPO**, **European Studies**, and **GNS+**, offers competitive pricing for out-of-state residents, extracurricular cultural programming, and pedagogy training and support for NORD instructors.
