

NORDSUMMER SCANDINAVIAN SUMMER LANGUAGE INSTITUTE

NORDsummer (<https://nord.wisc.edu/>) is a special eight-week intensive language program for people interested in learning Scandinavian languages. NORD allows students from all around the world to jump-start their Scandinavian language studies and have access to languages that are not commonly available elsewhere. NORDsummer is one of seven Wisconsin Intensive Summer Language Institutes (WISLI) (<https://wisli.wisc.edu>).
