

INDUSTRIAL SYSTEMS ENGINEERING THEMATIC TRACK

The Industrial Systems Engineering thematic track (<https://visp.wisc.edu/thematic-isye/>) curriculum is set up to provide a diversified background and at the same time allow choices according to individual interests.

Participants must meet the VISP eligibility criteria (<https://visp.wisc.edu/eligibility/>) for admission into this program. This thematic track admits students at the undergraduate, graduate, or dissertator level (<https://visp.wisc.edu/fulltime/>). Dissertator applicants are accepted pending an available faculty member in the primary field of study.

Students can participate in the fall and/or spring semester as well as in the summer term.
