

# PHARMACY GUIDE

## DOCTOR OF PHARMACY

If you are interested in becoming a pharmacist, a PharmD (Doctor of Pharmacy) degree is needed. PharmD degrees do not require an initial bachelor's degree, but you do need to complete a set of college prerequisite courses and a specific number of college credits to apply to the PharmD degree program.

- For more information on the PharmD degree and program, visit the PharmD section of the Guide (<http://guide.wisc.edu/pharmacy/pharmacy-school-wide/pharmacy-dph/>).
- If you are a current UW-Madison undergraduate student, or a prospective UW-Madison undergraduate student, and interested in entering the PharmD program in the future, visit our UW-Madison student pre-pharmacy website (<https://students.pharmacy.wisc.edu/student-services/sop-advising/pre-pharmacy-uwmadison/>) for more information on resources and pre-pharmacy advising available to you.
- For prerequisite and admissions information for all other students, visit the PharmD admissions website (<https://pharmacy.wisc.edu/academics/pharmd/admissions/>).

## SCHOOL OF PHARMACY GRADUATE PROGRAMS

If you are interested in a pharmacy or biomedical sciences-related career that does not require a pharmacist license, consider checking out our graduate programs (<http://guide.wisc.edu/graduate/pharmacy-school-wide/>).
