PHARMACY GUIDE

DOCTOR OF PHARMACY
If you are interested in becoming a pharmacist, a PharmD (Doctor of Pharmacy) degree is needed. PharmD degrees do not require an initial bachelor’s degree, but you do need to complete a set of college prerequisite courses and a specific number of college credits to apply to the PharmD degree program.

- For more information on the PharmD degree and program, visit the PharmD section of the Guide (http://guide.wisc.edu/pharmacy/pharmacy-school-wide/pharmacy-dph/).
- If you are a current UW–Madison undergraduate student, or a prospective UW-Madison undergraduate student, and interested in entering the PharmD program in the future, visit our UW (https://students.pharmacy.wisc.edu/student-services/sop-advising/pre-pharmacy-uwmadison/)–Madison student pre-pharmacy website (https://students.pharmacy.wisc.edu/student-services/sop-advising/pre-pharmacy-uwmadison/) for more information on resources and pre-pharmacy advising available to you.
- If you are a high school student or a first-semester college freshman interested in becoming a pharmacist, learn about our PharmD Early Assurance (https://pharmacy.wisc.edu/academics/pharmd/early-assurance/) program and how you can get conditional admission to UW–Madison’s PharmD program.
- For prerequisite and admissions information for all other students, visit the PharmD admissions website (https://pharmacy.wisc.edu/academics/pharmd/admissions/).

SCHOOL OF PHARMACY GRADUATE PROGRAMS
If you are interested in a pharmacy or biomedical sciences-related career that does not require a pharmacist license, consider checking out our graduate programs (http://guide.wisc.edu/graduate/pharmacy-school-wide/).
