

AGRICULTURAL AND APPLIED ECONOMICS, B.S.

RESOURCES AND SCHOLARSHIPS

SCHOLARSHIPS

The Department of Agricultural and Applied Economics offers a number of scholarships to our majors. All AAE students are encouraged to apply each year for department and CALS scholarships through the Wisconsin Scholarship Hub (WiSH). AAE majors are also eligible to apply for the Renk Scholarship Program (<https://renk.aae.wisc.edu/renk-scholarship/>), which can provide scholarships for up to three years. The Renk Scholarship Program is part of the Renk Agribusiness Institute (<https://renk.aae.wisc.edu/>) and emphasizes leadership in contemporary agricultural issues and activities linked to agribusiness.
