

INDIVIDUAL MAJOR, B.S.

ADVISING AND CAREERS

Students are strongly encouraged to consult with an assistant dean in the Office of Academic Affairs early in their undergraduate career to discuss the process, planning, and feasibility of completion.

Students are required to identify a faculty advisor as part of the process for requesting approval to pursue an individual major. The faculty advisor serves as the student's academic advisor along with support from the other members of the student's faculty committee. Additionally, students must work closely with an assistant dean in Academic Affairs throughout development and completion of the major.
