

ENTOMOLOGY, B.S.

ADVISING AND CAREERS

UNDERGRADUATE ADVISING IN ENTOMOLOGY

Undergraduate students are assigned to the Entomology undergraduate faculty advisor Dr. Dan Young and Allee Hochmuth, the Student Services Coordinator. However, since the vast majority of Entomology B.S. students do independent research during their undergraduate career, it is important to meet with other entomology faculty members (<http://labs.russell.wisc.edu/ento/people/faculty/>) to learn about all of the research possibilities.

Undergraduates in Entomology are strongly urged to meet with their advisor before they enroll for the upcoming term. If you have questions about advising or declaring the major, please contact Allee Hochmuth at abhochmuth@wisc.edu.

For more information about the Entomology B.S. or the department in general, please contact Dr. Dan Young (dkyoung@wisc.edu).

CAREERS AND PROFESSIONAL DEVELOPMENT

For more information on careers available to Entomology students, please visit our Internship & Job Resources (<http://labs.russell.wisc.edu/ento/graduate-study/internships-and-job-resources/>) page. For more information on other academic, co-curricular, financial aid, and career opportunities and services available to Entomology B.S. students, please visit the CALS Career Services (<https://cals.wisc.edu/academics/undergraduate-students/career-services/>) page. Students in the major are welcome to make an individual appointment with their advisor to discuss a number of career related topics such as career exploration, search strategies, graduate school, and review of application materials (resume, CV, letters, etc.).
