PRIMARY MAJOR IN GLOBAL HEALTH

To declare this major, students must be admitted to UW–Madison and the College of Agricultural and Life Sciences (CAL S). For information about becoming a CAL S first-year or transfer student, see Entering the College (<http://guide.wisc.edu/undergraduate/agricultural-life-sciences/#enteringthecolletext>).

Students who attend Student Orientation, Advising, and Registration (SOAR) with the College of Agricultural and Life Sciences have the option to declare this major at SOAR. ADDITIONAL MAJOR IN GLOBAL HEALTH

Current UW–Madison students in other schools and colleges interested in completing an additional (“double”) major in Global Health should consult with a global health advisor. Advisor contact information is found on the advising and careers tab.

Students cannot earn both the Global Health certificate and the Global Health major. Additionally, students declared in the Global Health major cannot earn the Health and the Humanities certificate.
