

# FOOD SCIENCE, B.S.

## ADVISING AND CAREERS

Students are assigned a faculty or staff advisor once they declare the major. Advisors are prepared to help with curricular planning and course access; major and degree questions; discussion of independent study and lab research experience; and navigating internship and scholarship opportunities. Declared food science majors must meet with their assigned advisor prior to registration. Additional information can be found on the department's website (<https://foodsci.wisc.edu/advising.php>).

Prospective food science majors should contact the Department of Food Science at [foodsci@wisc.edu](mailto:foodsci@wisc.edu) or 608-262-3046 for more information.
