

FOOD SCIENCE, B.S.

RESOURCES AND SCHOLARSHIPS

Scholarships

Students in the College of Agricultural and Life Sciences receive more than \$1.25 million in scholarships annually. Learn more about college scholarships (<https://cals.wisc.edu/academics/undergraduate-students/financing-your-education/cals-scholarships/>).

Food Science students are additionally eligible for \$25,000 in annual scholarships. Well-qualified students receive awards ranging from \$1,000-\$3,000.

Resources

Babcock Dairy Plant (<https://babcockhalldairyplant.wisc.edu/>). Want practical experience in a fully operational dairy plant? Consider signing up for part-time work in the Babcock Dairy Plant to gain experience in a wide range of practical jobs, from quality control to production.

Babcock Hall Food Application Lab (<https://foodsci.wisc.edu/fal.html>). This lab has 11 culinary workstations, food service equipment, and other amenities needed to prepare food at both small and food service scale.

Center for Dairy Research (CDR) (<https://www.cdr.wisc.edu/>). Also within Babcock Hall is the internationally-renowned Center for Dairy Research. Students can conduct research, work in the analytical labs, or participate on the CDR Sensory Panel to gain invaluable practical experience.

Food Research Institute (FRI) (<https://fri.wisc.edu/>). Housed in the Microbial Sciences Building, FRI conducts industry-oriented research on a wide range of food safety topics.

Bucky's Varsity Meats (<https://varsitymeats.cals.wisc.edu/>). Interested in meat science? The meat processing facilities within the Department of Animal and Dairy Sciences apply many food science principles and provide a unique opportunity for students to get hands-on experience with all aspects of meat production.
