

HORTICULTURE, B.S.

ADVISING AND CAREERS

ADVISING

Students interested in learning more about the Horticulture major should meet with Kathryn Jones, kjones26@wisc.edu, or schedule an advising appointment via Starfish (<https://advising.wisc.edu/facstaff/starfish/starfish-student-resources/>).

FACULTY MENTORS

The Horticulture Department maintains a list of faculty mentors (<https://horticulture.wisc.edu/faculty-and-staff-2/faculty-and-staff/>) that are available to help current students with internships and careers, graduate school preparation, research opportunities, etc.

CAREERS

A degree in horticulture prepares students for numerous career paths, including plant breeding and genetics, applied plant science, food crop production, greenhouse production, urban agriculture, community-supported agriculture (CSA), gardening and landscaping, horticulture education, extension- and community-based education, horticultural therapy, and the health sciences. For sample career profiles in horticulture, see Career Opportunities (<https://horticulture.wisc.edu/academics/undergraduate-program/research-career-opportunities-3/>) on the department website.
