School of Business undergraduate students are expected to apply learning inside and outside the traditional classroom in ways that have a positive impact on the world. Known as the Wisconsin Experience, this principle draws upon opportunities ranging from conducting research to embracing entrepreneurship to developing multicultural competence (https://business.wisc.edu/undergraduate/diversity-inclusion/), on campus or through study abroad programs (https://business.wisc.edu/undergraduate/study-abroad/). By applying classroom learning in leadership programs (https://business.wisc.edu/undergraduate/leadership/) or student organizations (https://business.wisc.edu/undergraduate/student-organizations/), you will build your résumé and gain practical experience in using your business skills.
