CAREER ADVISING IN THE SCHOOL OF EDUCATION

The School of Education Career Center provides students with the knowledge needed for connecting their classroom experiences with real-world application. Through individual appointments, events, and online resources, the Career Center provides students and alumni with the tools needed to be successful in their career development. From building resumes, conducting job and internship searches, developing interview skills, and negotiation strategies, the Career Center provides a foundation for developing the essential skills for the ever-changing world of work.

Students can set up their profile on Handshake (<https://app.joinhandshake.com/login/>), the campus online career management system, to find open internships, jobs, and career events. In addition to Handshake, there are many other job search sites to consult, such as Indeed, Glassdoor, and some that are industry-specific.
