ITALIAN, BSE

FOUR-YEAR PLAN

Italian Major: Sample Graduation Plan

This sample graduation plan is designed to guide your course selection throughout your academic career; it does not establish a contractual agreement. Use it along with your DARS report and the Course Guide to create a plan reflecting your placement scores, incoming credits, and individual interests. Consult with an academic advisor to develop a personalized plan of study and refer to the Guide for a complete list of requirements. You will likely revise your plan several times during your academic career here, based on your activities and changing academic interests.

The requirements and structure of this degree program extend graduation beyond the typical four years. Proficiency in the language must be developed before embarking on the required immersion experience. A four-semester professional education sequence follows the immersion experience, beginning in the fall semester. Most students in Italian Education enter UW-Madison having completed at least the first two semesters of the language; this level of proficiency is reflected in the plan.
