

PSYCHOLOGY, MINOR

This minor may only be completed by students admitted to Elementary Education options that include certification in K-9 or Middle Childhood through Early Adolescence. The Department of Psychology is housed in the College of Letters & Science. Students interested in completing a double major in psychology may wish to consult with an undergraduate advisor (<http://guide.wisc.edu/undergraduate/letters-science/psychology/psychology-ba/#advisingandcareerstext>) in the department to discuss course selection and other issues related to this field of study.

HOW TO GET IN

This minor may be completed only by students admitted to the Middle Childhood through Early Adolescence options of Elementary Education. Students admitted to the Content Focus option (<http://guide.wisc.edu/undergraduate/education/curriculum-instruction/elementary-education-bse/elementary-education-middle-childhood-through-early-adolescence-content-focused-minor-bse/>) are asked to identify the minor of their choice when admitted to the program. Students admitted to the other Middle Childhood through Early Adolescence options should fill out a minor declaration form available in the School of Education Student Services office, Room 139 Education Building.

REQUIREMENTS

Complete a minimum of 26 credits. A minimum cumulative grade point average of 2.75 is required, based on all Psychology minor coursework taken at UW–Madison. Students wishing to complete an additional major in Psychology through the College of Letters & Science must also complete supporting coursework in introductory biology; see Requirements for the Major (<http://guide.wisc.edu/undergraduate/letters-science/psychology/psychology-ba/#requirementstext>).

Code	Title	Credits
