Note: Students at UW–Madison become certified to teach secondary English, Mathematics, Science, and Social Studies through graduate-level coursework, not as undergraduates. A Master’s degree offered by the Department of Curriculum and Instruction certifies students to teach in one or more of these four subject areas in grades 4–12, and also English as a Second Language in grades K-12. Information about this Master’s degree program is available at UW–Madison Teach (https://teach.education.wisc.edu/) and on the Curriculum and Instruction (http://ci.education.wisc.edu/) website.
A new graduate program in World Language Education was recently developed to provide certification in specific world languages. Licensing is at the Kindergarten – Grade 12 level. Information about this Master's degree option is also available at UW–Madison Teach (https://teach.education.wisc.edu/) and on the Curriculum and Instruction (http://ci.education.wisc.edu/) website.
