Note: Students at UW–Madison become certified to teach secondary English, Mathematics, Science, and Social Studies through graduate-level coursework, not as undergraduates. A Master’s degree offered by the Department of Curriculum and Instruction certifies students to teach in one or more of these four subject areas in grades 4–12, and also English as a Second Language for grades K-12. Information about this Master’s degree program is available at UW-Madison Teach (https://teach.education.wisc.edu/) and on the Curriculum and Instruction (http://ci.education.wisc.edu/) website.

A new graduate program in World Language Education was recently developed to provide certification in specific world languages. Licensing is at the Kindergarten–Grade 12 level. Information about this Master’s degree option is also available at UW-Madison Teach (https://teach.education.wisc.edu/) and on the Curriculum and Instruction (http://ci.education.wisc.edu/) website.
