Note: Students at UW–Madison become certified to teach secondary English, Mathematics, Science, and Social Studies through graduate-level coursework, not as undergraduates. A Master’s degree offered by the Department of Curriculum and Instruction certifies students
to teach in one or more of these four subject areas in grades 4-12, and also English as a Second Language in grades K-12. Information about this Master’s degree program is available at uwteach (https://uwteach.education.wisc.edu/) and on the Curriculum and Instruction (http://ci.education.wisc.edu/) website.

The World Language Education Program (Chinese, French, German, Italian, Japanese, Latin, Portuguese and Spanish) has been discontinued and a new, Master’s level program is being developed to provide teacher certification in world languages.
