

KINESIOLOGY: EXERCISE & MOVEMENT SCIENCE

Admissions to the Kinesiology: Exercise & Movement Science, B.S. have been suspended as of fall 2022 and will be discontinued as of fall 2025. If you have any questions, please contact the department.

Due to the suspension and discontinuation of the Exercise and Movement Science option the courses listed on the requirements tab have merged with the other Kinesiology, B.S. Degree (<http://guide.wisc.edu/undergraduate/education/kinesiology/kinesiology-bs/#requirements>) requirements; see the Kinesiology Core and Advanced Kinesiology Electives. The Kinesiology degree requirements have not changed with the elimination of this option.
