

MECHANICAL ENGINEERING

RESOURCES AND SCHOLARSHIPS

FACILITIES

Facilities available for instruction and research include:

- Automatic Controls Lab
- Automotive Lab
- Computer-Aided Engineering (CAE) Labs
- Energy Systems Lab
- Engineering Design Research Lab
- Experimental Mechanics Lab
- Instrumentation Lab
- Maker Space
- Manufacturing Automation Lab
- Mechanical Testing Lab
- Mechatronics Lab
- Polymer Engineering Center
- Robotics and Autonomous Systems Lab
- Senior Design Studio
- Senior Design Hub
- Solar Energy Lab
- TEAM Lab
