The undergraduate major in human development and family studies (HDFS) offers specialized courses in human development from infancy through old age, couples and family relationships, research methods, policymaking, parent-child relations, family health and well-being, parent education and support, and ethnic and cultural diversity in families. In addition to coursework, all students engage in a 150-hour, semester-long internship or high-impact learning experience in a professional setting related to their major and career goals. These settings include community mental health programs, early childhood education, legislative offices, health care agencies, research labs, criminal justice systems, child and family life education, and community-based social justice programs.

The major prepares students for careers in human and family service organizations and for graduate or professional school in a variety of fields including health care, education, family law, counseling, occupational therapy, program evaluation, physical therapy, case management, and the child life profession.

CERTIFIED FAMILY LIFE EDUCATOR (CFLE)
The National Council on Family Relations (NCFR) provides the Certified Family Life Educator (CFLE) credential, which is recognized in the U.S. and Canada for Family Life Education professions.

The program encourages applications from professionals who have preparation and experience in Family Life Education settings, including formal teaching, research/scholarship, community education, public information and education, curriculum and resource development, health care, military family support, and ministry. CFLEs have a minimum of a bachelor’s degree, and many have advanced degrees.

Certification (https://www.ncfr.org/cfle-certification/become-certified/) must include graduating from HDFS, which is a CFLE-approved program here at UW-Madison.

Students seeking this designation must complete the following courses: HDFS 262, 263, 425, 471, 474, 501; Skills for Helping Professions, 516, 517, 535, 601, 650, CNSR SCI 273, PSYCH/SOC 453 OR GEN&WS 103.

For additional information, please contact SoHE’s Advising & Career Center (https://sohe.wisc.edu/students/advising/) or Julie Poehlmann-Tynan (https://humanecology.wisc.edu/staff/poehlmann-tynan-julie/), Professor in HDFS.

University Degree Requirements

Total Degree
To receive a bachelor’s degree from UW–Madison, students must earn a minimum of 120 degree credits. The requirements for some programs may exceed 120 degree credits. Students should consult with their college or department advisor for information on specific credit requirements.

Residency
Degree candidates are required to earn a minimum of 30 credits in residence at UW–Madison. "In residence" means on the UW–Madison campus with an undergraduate degree classification. "In residence" credit also includes UW–Madison courses offered in distance or online formats and credits earned in UW–Madison Study Abroad/Study Away programs.

Quality of Work
Undergraduate students must maintain the minimum grade point average specified by the school, college, or academic program to remain in good academic standing. Students whose academic performance drops below these minimum thresholds will be placed on academic probation.

Learning Outcomes

1. Knowledge of lifespan human development (including cognitive, social, and emotional development and individual differences) in social and ecological contexts.
2. Knowledge of family and community diversity.
3. Knowledge of internal family processes, including parenting and parent-child relations, couples, and family relationships across generations and family health and wellbeing.
4. Ability to consider and evaluate how children, adults, and individual families affect and are affected by policies, media, or other social institutions.
5. Knowledge about the effective and ethical practice of assessment, prevention, intervention, or outreach for individuals and families.
6. Ability to understand, evaluate, and ethically conduct social science research.

Four-Year Plan

This is a sample four-year plan for Human Development and Family Studies. We encourage all students to consult with their academic advisor to develop an individualized plan that meets their specific needs.

**ADVISING AND CAREERS**

**ADVISING & CAREER CENTER**

The Advising & Career Center (ACC) fosters undergraduate students’ personal, academic, and professional development. Through advising, academic planning, and career education, we support students as they navigate the college experience—from exploring our majors as prospective students to becoming SoHE alumni.

**ACADEMIC ADVISING**

Each SoHE student is assigned to an academic advisor in the Advising & Career Center. SoHE academic advisors support academic and personal success by partnering with current and prospective SoHE students as they identify and clarify their educational goals, develop meaningful academic plans, and pursue their own Wisconsin Experience.

To explore academic advising resources or schedule an appointment with a SoHE academic advisor, visit Advising in SoHE (https://advising.humanecology.wisc.edu/academics/apply/).

**CAREER DEVELOPMENT**

Active engagement in the career development process is a vital component of a student’s personal growth in college and future success as a lifelong learner, professional, and global citizen. SoHE career advisors help prepare students for life post-graduation through individual and group advising and integration of career readiness throughout our curriculum.

To explore career development resources or schedule an appointment with a SoHE career advisor, visit Career Development (https://advising.humanecology.wisc.edu/careers/scheduling/).

**STUDENT ORGANIZATIONS**

School of Human Ecology student organizations include:

- Apparel and Textile Association (ATA)
- Badger$ense Financial Life Skills
- Community & Nonprofit Leaders (CNPL) of UW–Madison
- Financial Occupations Club for University Students (FOCUS)
- Interior Design Organization (IDO)
- Phi Upsilon Omicron (National Honor Society in Family and Consumer Sciences)
- Student Retail Association (SRA)
