

ASTRONOMY–PHYSICS, B.A.

HOW TO GET IN

Students are encouraged to declare their major as early as possible. Before declaring the major, students must complete the first two of the three classes in the Introductory PHYSICS sequence.

Introductory Physics sequences are:

Sequence 1: PHYSICS 247, PHYSICS 248, and PHYSICS 249

Sequence 2: PHYSICS 201, PHYSICS 202, and PHYSICS 205

Sequence 3: PHYSICS 207, PHYSICS 208, and PHYSICS 241
