## WISCONSIN EXPERIENCE

### WISCONSIN EXPERIENCE THE ASTRONOMY CLUB

The Astronomy Club is a student organization for people interested in astronomy and related fields.

#### **What does the Astronomy Club do?**

The Astronomy Club organizes events such as seminars, tours, trips, and socials for its members. In addition to social events, they organize various events including a research symposium, REU and internship informational sessions, trips to observatories and labs, and even can help you start out doing some of your own astronomy research.

#### **Why should you join the Astronomy Club?**

By joining the Astronomy Club, you'll be meeting people who are just as enthusiastic as you are about the universe! Astronomy Club is a great way to find a community of people who can help you navigate through your time here at UW–Madison, whether you major in Astronomy–Physics or not.

#### **To Join**
