Shelby O'Connor (faculty director)

Heidi Horn (associate director, teaching faculty)

Carol Borcharding (program manager)

Anna Kowalkowski (teaching faculty)

Seth McGee (lab instructor)

Diana Tapia Ramon (high impact practice facilitator)

Biocore faculty instructors come from departments and colleges across campus (College of Letters & Science, College of Agriculture and Life Sciences, School of Medicine and Public Health, College of Engineering) and bring with them different perspectives and disciplinary expertise on a whole range of topics and scales of biological organization from molecules to ecosystems. The curriculum permits students to attain a relatively high level of sophistication with complete flexibility of choice for subsequent major specialization.
