MENTORING OPPORTUNITIES

Speed Mentoring: Each fall and spring we hold speed mentoring events (<https://criminaljustice.wisc.edu/resources/mentoring/>) to provide our students an opportunity to connect one-on-one with community members within the legal, criminal, justice, policy, and nonprofit fields.

Peer Mentoring: Join the student-led group (<https://criminaljustice.wisc.edu/peermentoring/>) created to help students declared in majors and certificates in the Center for Law, Society, and Justice navigate classes, schedules, homework, and more, all in a fun and social setting. You choose what communication method works for you, how involved you want to be, and what your involvement looks like.

STUDY ABROAD

Learning in Letters & Science emphasizes discovery, growth, understanding different perspectives, and challenging yourself, which makes studying abroad an excellent fit for many L&S students: studyabroad.wisc.edu (<https://studyabroad.wisc.edu/>)

As a university with global influence, we have more than 300 study abroad programs (<https://studyabroad.wisc.edu/programs/>) in over 80 countries. These vary in length, academic focus, teaching format, language requirements, cost, and level of independence. There are many programs to complement every major (<https://studyabroad.wisc.edu/academics/major-advising-pages-maps/#L&S>) and any year of college (including the final semester)—and all meet UW–Madison’s high academic standards. Students admitted into Letters & Science can even choose a short program in the summer before they start college or their whole first year: studyabroad.wisc.edu/launch (<http://studyabroad.wisc.edu/launch/>). Talk with your academic advisor about how studying abroad might fit with your academic plan.
