

CHICANA/O AND LATINA/O STUDIES, CERTIFICATE

The Chicana/x/e and Latina/x/e Studies undergraduate certificate offers a systematic and interdisciplinary analysis of Mexican-, Caribbean-, and Latin-American-origin people, cultures, and collectivities in the United States and their transnational dimensions. The Chicana/x/e and Latina/x/e Studies major provides students with a broad knowledge base and the intellectual and practical tools to understand the diversity, unity, and complexity of those people and cultures as they explore the central questions and topics in this interdisciplinary field.

The certificate will be renamed. Through Summer 2027, students earn a certificate in Chicana/o and Latina/o Studies. Beginning in Fall 2027, the program will be the certificate in Chicana/x/e and Latina/x/e Studies.

Note: The endings “x” and “e” in “Chicana/x/e and Latina/x/e” represent two gender-neutral ways of referring to people of Latin American descent in the United States.
