ADVISING AND CAREERS

ACADEMIC ADVISING

The English department supports majors and perspective majors by offering a comprehensive advising team based on your personal interests. You will find us on the 7th floor of the Helen C. White Building (<https://map.wisc.edu/s/6nfnzttsa/>), next to Memorial Union. Our team is here to support students holistically as they navigate their time at UW. To meet our advisors, visit our undergraduate advising page (<https://english.wisc.edu/undergraduate/undergraduate-advising/>) for more information, including how to schedule an appointment.

The English Department encourages our majors to begin working on their career exploration and preparation soon after declaring the major. Our career advisor also partners with SuccessWorks at the College of Letters & Science. L&S graduates are in high demand by employers and graduate programs. It is important to us that our students are career ready at the time of graduation, and we are committed to their success.

L&S CAREER RESOURCES

Every L&S major opens a world of possibilities. SuccessWorks (<https://successworks.wisc.edu/>) at the College of Letters & Science helps students turn the academic skills learned in their major, certificates, and other coursework into fulfilling lives after graduation, whether that means jobs, public service, graduate school or other career pursuits.

In addition to providing basic support like resume reviews and interview practice, SuccessWorks offers ways to explore interests and build career skills from their very first semester/term at UW all the way through graduation and beyond.

Students can explore careers in one-on-one advising, try out different career paths, complete internships, prepare for the job search and/or graduate school applications, and connect with supportive alumni and even employers in the fields that inspire them.
