

LGBTQ+ STUDIES, CERTIFICATE

The LGBTQ+ Studies Certificate Program, housed administratively in the Department of Gender and Women's Studies, is a campuswide program open to students in any major. Courses that count toward this interdisciplinary certificate come from a wide range of fields including literature, history, sociology, medical history, as well as from gender and women's studies, which is in itself an interdisciplinary field. This certificate can compliment many other programs and plans across campus, including, but not limited to gender and women's studies. New courses are added to the program each semester.

HOW TO GET IN

Intent to pursue the certificate can be declared by meeting with the undergraduate advisor (<https://gws.wisc.edu/undergraduate/undergraduate-advising/>) and completing the declaration form (https://uwmadison.co1.qualtrics.com/jfe/form/SV_etf8mvBhLRq826F/). Declaring the certificate as early as possible allows students to best align certificate coursework with their interests.
