POLISH, B.A.

Elementary courses in Polish are designed to meet the needs of students who begin to study the language in college as well as those who began to study the language in high school. One unit (year) of high school coursework is roughly equivalent to one semester of college work; all incoming students, however, who want to continue their study of Polish are assigned to courses on the basis of placement tests. These tests may admit a student to a more advanced course, but give no credit toward graduation. However, retroactive credits can be granted in recognition of previous language study. Students should speak with their instructor regarding retroactive credits during the first week of class.

HOW TO GET IN

To declare a major in Polish, students should make an appointment with the undergraduate advisor.

REQUIREMENTS

**DISTINCTION IN THE MAJOR**

With the permission of the Polish advisor, students who are not in any of the honors programs may work toward Distinction in the Major. Distinction in the major may be granted to any student who maintains a 3.500 grade point average in the major and who has completed a two semester Senior Honors Thesis in SLAVIC 681 and SLAVIC 682 for a total of 6 credits.

**FOOTNOTES**

1 SLAVIC 231 may only count within one requirement for the major.

**LEARNING OUTCOMES**

1. (Polish language proficiency) Develop speaking, listening, writing, and reading skills and integrate these skills to communicate in Polish in a variety of social situations.

2. Develop and apply writing skills and oral communication skills appropriate to liberal arts education in the context of Slavic studies.

3. Develop and apply critical thinking skills inherent in the liberal arts tradition in the context of Slavic studies.

4. Analyze and interpret works of literature in themselves and in the context of specific historical and cultural conditions.

5. Demonstrate insight into Polish culture and civilization and apply this knowledge across disciplines such as history, political science, the arts, geography, business, economics, sociology, the sciences, gender studies, philosophy, law, folklore.

**FOUR-YEAR PLAN**

**SAMPLE FOUR-YEAR PLAN**

This Sample Four-Year Plan is a tool to assist students and their advisor(s). Students should use it—along with their DARS report, the Degree Planner, and Course Search & Enroll tools—to make their own four-year plan based on their placement scores, credit for transferred courses and approved examinations, and individual interests. As students become involved in athletics, honors, research, student organizations, study abroad, volunteer experiences, and/or work, they might adjust the order of their courses to accommodate these experiences. Students will likely revise their own four-year plan several times during college.

**UNIVERSITY DEGREE REQUIREMENTS**

Total Degree: To receive a bachelor’s degree from UW–Madison, students must earn a minimum of 120 degree credits. The requirements for some programs may exceed 120 degree credits. Students should consult with their college or department advisor for information on specific credit requirements.

Residency: Degree candidates are required to earn a minimum of 30 credits in residence at UW–Madison. “In residence” means on the UW–Madison campus with an undergraduate degree classification. “In residence” credit also includes UW–Madison courses offered in distance or online formats and credits earned in UW–Madison Study Abroad/Study Away programs.

Quality of Work: Undergraduate students must maintain the minimum grade point average specified by the school, college, or academic program to remain in good academic standing. Students whose academic performance drops below these minimum thresholds will be placed on academic probation.

L&S CAREER RESOURCES

SuccessWorks at the College of Letters & Science helps students leverage the academic skills learned in their major, certificates, and liberal arts degree; explore and try out different career paths; participate in internships; prepare for the job search and/or graduate school applications; and network with professionals in the field (alumni and employers). In short, SuccessWorks helps students in the College of Letters & Science discover themselves, find opportunities, and develop the skills they need for success after graduation.

SuccessWorks can also assist students in career advising, résumé and cover letter writing, networking opportunities, and interview skills, as well as course offerings for undergraduates to begin their career exploration early in their undergraduate career.

Students should set up their profiles in Handshake (https://careers.ls.wisc.edu/handshake/) to take care of everything they need to explore career events, manage their campus interviews, and apply to jobs and internships from 200,000+ employers around the country.
