ADVISING AND CAREERS

Elementary courses in Polish are designed to meet the needs of students who begin to study the language in college, as well as those who began to study the language in high school. One unit (year) of high school coursework is roughly equivalent to one semester of college work; all incoming students, however, who want to continue their study of Polish are assigned to courses on the basis of placement tests. These tests may admit a student to a more advanced course, but give no credit toward graduation. However, retroactive credits can be granted in recognition of previous language study. L&S Retro Credit Policy (<https://kb.wisc.edu/lis/page.php?id=23736>).

The Placement Advisor for Polish is Krzysztof Borowski. Please contact the undergraduate advisor to request placement.

L&S CAREER RESOURCES

Every L&S major opens a world of possibilities. SuccessWorks (<https://successworks.wisc.edu/>) at the College of Letters & Science helps students turn the academic skills learned in their major, certificates, and other coursework into fulfilling lives after graduation, whether that means jobs, public service, graduate school or other career pursuits.

In addition to providing basic support like resume reviews and interview practice, SuccessWorks offers ways to explore interests and build career skills from their very first semester/term at UW all the way through graduation and beyond.

Students can explore careers in one-on-one advising, try out different career paths, complete internships, prepare for the job search and/or graduate school applications, and connect with supportive alumni and even employers in the fields that inspire them.
