ADVISING AND CAREERS

Elementary courses in Polish are designed to meet the needs of students who begin to study the language in college, as well as those who began to study the language in high school. One unit (year) of high school coursework is roughly equivalent to one semester of college work; all incoming students, however, who want to continue their study of Polish are assigned to courses on the basis of placement tests. These tests may admit a student to a more advanced course, but give no credit toward graduation. However, retroactive credits can be granted in recognition of previous language study. Students should speak with their instructor regarding retroactive credits during the first week of class.

The Placement Advisor for Polish is Łukasz Wodzyński. Please contact the undergraduate advisor to request placement.

For other undergraduate concerns or to declare the major, please contact our undergraduate coordinator:
