The Health and the Humanities (HatH) academic advisor can help you create a meaningful course plan and stay on track as you complete the certificate requirements. We recommend that you connect with the HatH advisor as early as possible. The advisor is available to consult on a variety of topics including: applying to the certificate, HatH course selection, exploring how HatH courses fit with breadth and general education degree requirements, campus resources, and getting the most from your Wisconsin Experience.

L&S CAREER RESOURCES

Every L&S major opens a world of possibilities. SuccessWorks (<https://successworks.wisc.edu/>) at the College of Letters & Science helps students turn the academic skills learned in their major, certificates, and other coursework into fulfilling lives after graduation, whether that means jobs, public service, graduate school or other career pursuits.

In addition to providing basic support like resume reviews and interview practice, SuccessWorks offers ways to explore interests and build career skills from their very first semester/term at UW all the way through graduation and beyond.

Students can explore careers in one-on-one advising, try out different career paths, complete internships, prepare for the job search and/or graduate school applications, and connect with supportive alumni and even employers in the fields that inspire them.
